

Friends of Bethlehem University in Ireland

Christmas 2017 Appeal for Bethlehem University

The best way of ensuring peace in our world is through friendship and education

With this belief guiding all our actions, the Friends of Bethlehem University in Ireland (www.fbui.ie) has as its mission to respond to the requests from Bethlehem University for assistance in matters relating to its academic programmes.

This mission finds its expression in two principal areas:

- the provision of funds to Bethlehem University to enable it to enroll in its degree courses deserving Palestinian students who otherwise would be unable to do so: and
- to assist in the operation and further development of its academic and university administrative programmes with the establishment of cooperative links with Irish universities, which have at all times in past years, been more than willing to help.

This programme of assistance is in constant need of funds for its effective execution. Your contribution, at whatever level you can manage, will be greatly appreciated and acknowledged. As a registered charity, the FBUI may claim tax relief on donations of €250 and over.

Please give your name and address for acknowledgement.
